LED track light

- **LED light source:** CITIZEN/CREE/SHARP COB LEDs,
- **Lumen:** 90-100lm/W, CRI97, 90+/80+ for your selection
- **Housing Material :** 6063 Brushed aluminum,
- **Phase:** 2-wire, 3-wire and 4-wire are ok
- **Power Option:** 10W, 15W, 20W ,30W, 35W
- **Driver:** Tridonic, Philips, Lifud, CE, SAA, C-TICK, TUV Driver, PF>0.95, PE>88%, **DALI, DMX, TRIAC, 0/1-10V, ZigBee, RF dimmable,**
- **Warranty:** 3-5 years warranty any quality problem, we will send driver or lamp or accessories for replacement first, we pay the shipping cost too,

LED track light series

Series A: COB LED track light (CRI80/90/97) no flicker driver

Model	Picture	Size(DxLxH) (mm)	Connector Phase	LED Brand	Power (W)	Voltage & Frequency	Color & Kelvin	lumen@ Ra>80	Beam Angle	IP Rate

LED track light series

- **FAQ:**
- **1.What is CRI?**
- CRI is short for color rendering Index
- **2. Why should I take CRI97 Lamps?**
- Higher CRI lights will let you see the natural color of the goods, if CRI70 or lower, the goods looks ugly or loss the natural color with the lights.
- **3. What is your LED brand?**
- We take Citizen COB LEDs as light sources, it is original from Japan
- **4. Why Citizen COB LEDs?**
- Citizen is the leader of COB LEDs, it is the best suppliers worldwide.
- **5. Why the lumen is only 90-100lm?**
- Higher CRI, the lumen will be lower, but Citizen COB is the highest when the CRI97 compared with other brand,

The End

Thank you
